

NDA-U-DWMT Dual pendant wall mount

The modular camera mounts & accessories are a family of mounts, mounting adapters, pendant interface plates and surveillance cabinets which can be used with a wide range of Bosch cameras. The accessories are easy to install and can be combined to simplify installation in multiple locations whilst retaining the same look and feel.

Functions

Dual pendant wall mount

The dual pendant wall mount supports multiple installation scenarios including direct installation to a wall, pole or corner through the use of a suitable adapter. The integrated swivel function ensures the installed camera is always level. The mount allows easy cable management or it can be combined with additional surface mount boxes to cater for conduit connections.

It provides a safe and robust solution to mount cameras directly to a wall or ceiling in combination with the following accessory:

- 2x NDA-U-WMT Pendant wall mount

Notice

This accessory supports a maximum loading weight of 8 kg (17.64 lb).
