

# PLN-VASLB-xx Plena Voice Alarm System Labels

www.boschsecurity.com

**BOSCH**  
Invented for life

- ▶ Available in 6 languages
- ▶ High quality labels
- ▶ Easy placement on the front panel

The labels can be placed on the front panel of a Plena Voice Alarm Controller, Router and Fireman's panel. This makes it very simple to operate as the text on the front panel is in the local language. The labels are available in the languages: Dutch, French, German, Polish, Russian and Swedish.

## Technical specifications
